

To: New York State Senators

On behalf, of concerned New York residents:

We're petitioning to stop resellers, from charging sales tax, on used items or property, to customers and New York State residents. Some examples of non-taxable used items or property are:

- Used Cars
- Cigarettes
- Used Clothing
- Resale Tickets
- Foreclosed Homes

And all other products unmentioned.

Some Resellers shouldn't charge tax for used items, to customers

Because; They purchase items or products from wholesalers, tax free.
